

# UK Business Counts - enterprises by industry and employment size band

An extract compiled from the Inter Departmental Business Register (IDBR) recording the number of Enterprises that were live at a reference date in March, broken down by employment size band, detailed industry (5 digit SIC2007) and legal status. An Enterprise is the smallest combination of legal units which has a certain degree of autonomy within an Enterprise Group. Available from country down to mid layer super output area and Scottish intermediate zones.
